

# Littleton Elementary School

A "Performing Plus" School

October 2011

*Time to Learn, Time to Teach, Time to Work, Time to Achieve, Time to EXCEL*

Dr. Juliet M. Mendez, Principal    Mr. Chance Whiteman, Assistant Principal    Ms. Christina Alvarez, Dean of Students

## A Message From Our Principal...

Dear Littleton Elementary Families,

On September 13 Littleton presented our 'Continuous Improvement Plan' to the board. A ten minute overview of our 2011-2012 plans were presented to the board and audience members. Littleton used a PowerPoint presentation filled with pictures of our students, staff and administrators targeting our 2011-2012 goals. The framework consist of goals targeted in raising achievement in Math, Reading, Writing, English Language Learners, AZ Safe Schools, High School graduation rate, and Parental Involvement.

Parents you may ask, "How can I help my child/children?" Read with your child every night. Take every opportunity to teach your child. Get involved in your child/children school activities.

**PARENT/TEACHER CONFERNECES: OCTOBER 6 (1:15-7:00) & OCTOBER 7 (1:15-3:00)**

Always keeping in mind:

**"Together we empower all learners to believe in and achieve life-long excellence."** Let's work together and empower all of Littleton's learners. All Children are Capable of Success, No Exceptions!

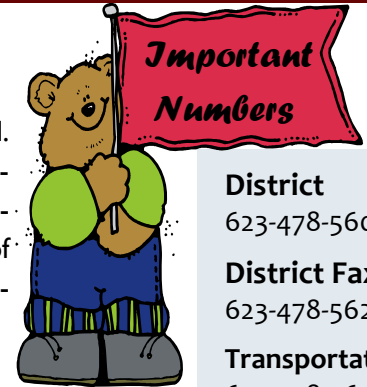

Sincerely,

Dr. Juliet M. Mendez

Proud Principal of Littleton

**MAC-Ro:** The MAC-Ro Family Event day was a success. During the day Dr. Mendez and the MAC-Ro team kicked off the school day to pump up the spirits of math in all students in 1st-5th grade. Dr. Freedman, the Superintendent of Littleton showed up and explained the importance of math in the world. Later on in the evening more than 200 parents and children in 1st-5th grade showed up to learn about the program, and the significant role that parents play in promoting Math in the home.

**Literacy Night:** Together We Read, Together We Dream was this years Literacy Night theme. Parents, students and staff gathered in an evening of traveling to different literacy stations to learn how reading can bring students, parents and staff closer to the students goals and dreams. We highly recommend that all LES parents continue exploring your child/children goals and dreams by taking them through books at home.
