**LITTLETON ACCEPTS TAX CREDIT CONTRIBUTIONS**

LITTLETON SCHOOLS – The Littleton Elementary School District is making it simple for the community to make a school tax credit contribution.

The tax credit, allowed by Arizona Revised Statute 43-1089.01, allows married couples filing jointly a tax credit of up to \$400.00, or individual tax payers a tax credit of up to \$200.00 when they contribute to extracurricular activities in public schools. A tax credit contribution is different from a donation because it is a full refund of a taxpayer's money, provided a liability for the entire tax year is at least equal to that of the contribution exists.

Contributions are made directly to the Littleton schools. Community members and employees making a school tax credit contribution are not required to have a child attending a Littleton school to benefit from the law.

Littleton elementary schools accept contributions for the 2010 calendar tax year by mail, as long as the envelope is postmarked by December 31, 2010. Contributions may also be made in person at any Littleton elementary school. A receipt will be mailed out after the contribution is processed. A Tax Credit form can be found online at [www.littletonaz.org](http://www.littletonaz.org). For more information, call #623-478-5678.
