

Littleton Elementary School District No. 65 – Extracurricular Activities Tax Credit

**ATTENTION EMPLOYEES
REDUCE YOUR STATE TAX BILL BY SUPPORTING
A LITTLETON ELEMENTARY DISTRICT SCHOOL**

The Arizona Legislature passed legislation allowing Arizonans to contribute any amount up to \$400 to public schools for extracurricular activities. You can reduce your state income taxes through a tax credit by the amount of your contribution. Individuals may take advantage of up to a \$200 tax credit and couples filing a joint return may take advantage of up to a \$400 tax credit in accordance with ARS 43-1021 and ARS 43-1089-01. You don't need to live in the district or have children attending school in the Littleton Elementary School District to take advantage of this tax law.

Any individual can make a contribution to the school of his/her choice to help fund extracurricular activities. Extracurricular activities are school sponsored activities that are not part of the regular instruction and require students to pay a fee.

Simply complete the form below and return it to the Payroll Department . If you have any questions, please call Karen Eyherabide at 623-478-5610. A tax credit receipt will be issued by the District Office at the end of the calendar year for the total donation amount.

**School Tax Credit
