REDUCE YOUR STATE TAX BILL BY SUPPORTING A LITTLETON ELEMENTARY DISTRICT SCHOOL

The Arizona Legislature passed legislation allowing Arizonans to contribute any amount up to \$400 to public schools for extracurricular activities. You can reduce your state income taxes through a tax credit by the amount of your contribution. Individuals may take advantage of a \$200 tax credit and couples filing a joint return may take advantage of a \$400 tax credit. You don't need to live in the district or have children attending school in the Littleton Elementary School District to take advantage of this tax law.

Any individual can make a contribution to the school of his/her choice to help fund extracurricular activities. Extracurricular activities are school sponsored activities that are not part of the regular instruction and require students to pay a fee. For tax year 2009, contributions must be post marked by December 31, 2009.
