DO YOUR BEST!

THINK POSITIVE!

YOU CAN DO IT!

Message from your Principal

We have all worked so hard this year and we are ready for AIMS/STANFORD 10. Testing dates are April 11-20. A few tips that will help your child during testing.

1. Make sure your child is in school every day.
2. Don't schedule medical appointments during school hours.
3. Don't take your child out of school for a family trip or activity.
4. Don't allow your child to be tardy. Have your child get ready the night before so he/she can get to school on time.
