

ACTIVATING YOUR PARENTVUE ACCOUNT

Introduction

ParentVUE is an information portal powered by Synergy for parents to access real-time information related to their student's education progress. Parents can view their student's attendance, report cards, health information, contact information and more. ParentVUE is accessed through a secured portal on the web or through the ParentVUE app available for both Android and iPhone. First Time ParentVUE users will need to obtain an activation key from your child's school to allow you to create your account.

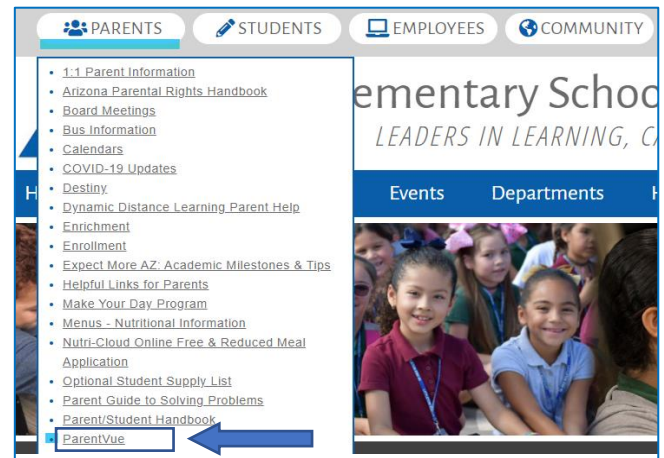

How to Access ParentVUE

Step 1: Click on Parent icon on the Littleton ESD home page.

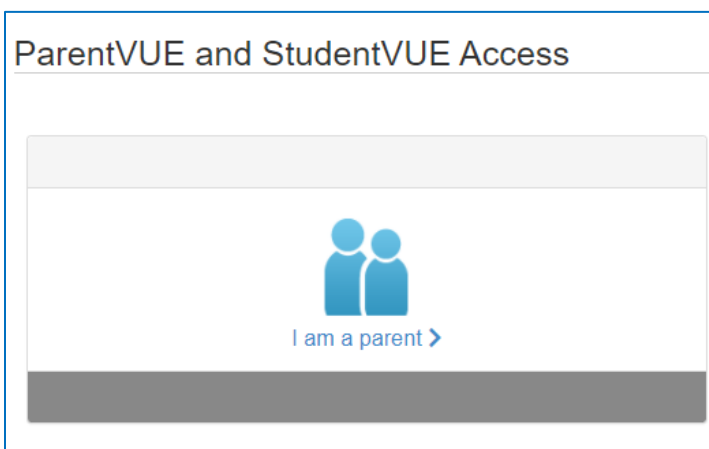

www.littletonaz.org

Step 2: Click on the ParentVUE

Step 3: select "I am a parent".

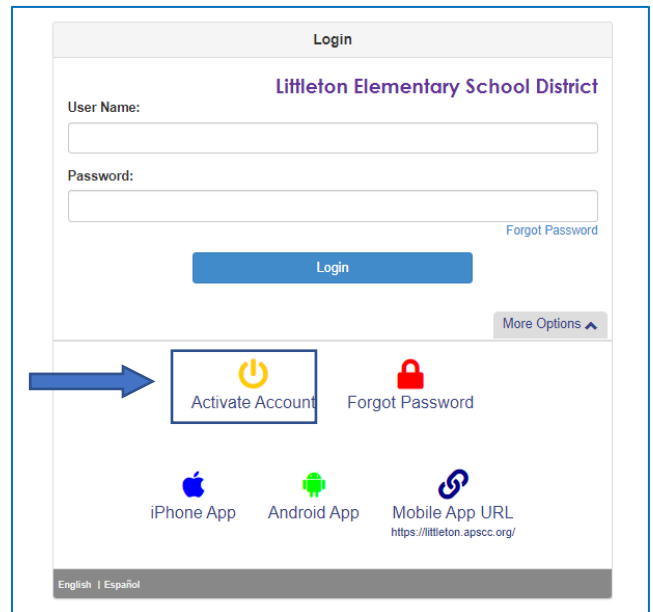

Activating Your ParentVUE Account

First time users will need to obtain an activation key letter from your child's school to allow you to create your account. Once you obtain your activation key letter from your child's school, click on Activate Account. The activation process involves three steps.

- Step 1: Read through the Privacy Statement and click the Accept button to agree.
- Step 2: Sign In with Activation Key exactly as it appears on the activation key letter.
- Step 3: Choose username and password

You have successfully created your ParentVUE account where you will have immediate access to your child's information.

The Parent-Student Handbook Acknowledgement displays before the Home screen.

Below is a sample of what you can expect to see on the ParentVUE dashboard.
