STUDENT SERVICES TEAM

Meet Our Student Services Team!

Dr. Angela Smith
Instructional Coach

I am an educator at heart and have dedicated my career to education because of teachers who impacted my life. Without these special educators, I would not be the person I am today!

Education is not preparation for life; education is life itself. – John Dewey

Ms. Lynch
Reading Interventionist

My why is simple: every child deserves a champion who believes in them and helps them discover their potential.

Mr. Warren
Resource Teacher 5-8

Why because it allows me to support students, families, and staff while making a positive impact on my school community. It aligns with my strengths in organization, communication, and problem-solving, and I enjoy being part of a team dedicated to student success. This role is meaningful to me because I can help create a welcoming and supportive environment where everyone can thrive.

Mr. Jaspanson
Resource Teacher K-4

I became an educator because I believe one caring adult can change the trajectory of a child's life. My purpose is to lead with integrity, serve with compassion, and create a school where every student and staff member can thrive.

Dr. Smith (Instructional Coach), Ms. Lynch (Reading Interventionist), and Mr. Warren & Mr. Jaspanson (Resource Teachers). These dedicated professionals work so hard every day to help the Leones learn, grow, and shine bright. We are so lucky to have them in our school family!
